Person behind the badge

If there is one way to live your dream then it's to be given the chance at a very early age. Our Speaker Rtn. Andrew Guillaume comes under this category. Andrew who was born in Belgium travelled around the world with his parents experiencing many cultures on the way.

Later in life Andrew made a career in Communication Engineering & when the opportunity knocked he was able to purchase Jetset Brandon Park to continue his love of communicating & travel.

Thank you Andrew for a very informative presentation.
